

The GFWC North Myrtle Beach Woman's Club is a non-profit organization celebrating 52 years of service to our community. Our fundraising efforts each year benefit local charities such as Habitat for Humanity, Sea Haven, Inc., North Strand Helping Hands, Teen Angels, Humane Society of North Myrtle Beach, North Strand Community Home, Veterans Welcome Home Center, and the North Myrtle Beach Schools. We accomplish this through the support of our community and local businesses.

Please visit www.northmyrtlebeachwomansclub.org for a complete list of our charities.

We will be hosting our annual "Purses with Purpose" Charity Event at the Marina Inn, Grande Dunes on Thursday, April 9, 2026 beginning 5:30 PM. Attendees will enjoy a delicious dinner buffet, music, and an entertaining live auction with handsome local male personalities showcasing designer purses contributed by celebrities, women of distinction, and organizations. On display in the silent auction will be a large quantity of baskets teaming with gift certificates for services and restaurants, cosmetics, jewelry, spa treatments, weekend getaways, and other niceties.

The event is an exciting way to raise money. Each year we have netted approximately \$50,000 for local charities. Because we need your support in accomplishing this goal each year, we hope you will please consider being a 2026 sponsor for this special fundraiser.

Enclosed you will find a "2026 Sponsorship Reservation Form" featuring the levels of sponsorships available.
