

What a Difference a Mile Makes Sponsorship Request

The GFWC North Myrtle Beach Woman's Club, a nonprofit organization with more than 50 years of community service, invites you to partner with us in making a meaningful difference in the lives of domestic violence victims and their families.

On October 17, 2026, we will host our 6th annual ***What a Difference a Mile Makes*** walk, a community event dedicated to raising awareness and critical funding for those seeking safety, support, and a fresh start.

Why This Event Matters

Domestic violence affects individuals and families throughout our community. Many victims face the difficult challenge of leaving unsafe situations while trying to secure housing, transportation, childcare, and other essential resources.

Funds raised through this event help provide support for victims, their children, and, when needed, their pets as they transition to safer circumstances. By becoming a sponsor, you help ensure that local families have access to vital resources and support during some of the most challenging moments of their lives.
